3M™ 581C Fibre Discs

A fit for purpose fibre disc for heavy, medium and light grinding applications. Good performance and a consistent quality finish at an economical price.

- High performance alumina zirconia (AZ) mineral bonded to a vulcanized fibre backing
- Available in 4 diameters and 6 grits to meet all requirements
- Conveniently packaged with 50 discs on a re-usable disc-holder clamping system, for easy storage and retention of disc shape and form
- Good performance on stainless and mild steel as well as other ferrous and non-ferrous materials

The 3M 581C Fibre Disc Range
